Focus Question

What are the steps for building a road?

How is a road built?

First, the plan is made.

Next, the dirt is moved.

Then, the gravel is spread.

Next, the road is paved.

Then, the road is flattened.

Last, the road is painted.

Now it is time for a ride!
Where do you want to go?

Words to Know

built

painted

flattened

paved

gravel

spread
