Hide and Seek with Tank

My silly bird, Tank, is my very favorite pet.
Tank and I like to play every day.
I hide, and Tank seeks out my hiding place.
I never hide in the same place.
It never takes Tank a long time to find me.
I pop my head out of my hiding place.
I even say his name so he can find me.
He says, "Peek-a-boo," when he finds me.
Tank wants me to give him his favorite treat.
I give him the treat he likes best.
His favorite treat is an apple.

Name _____ Date _____

Hide and Seek Games

Children like to play games such as hide and seek together.

One child who is “it” counts as the other children hide.

After the child counts, they try to find the hiding children.

Children can play the game many different ways.

Sometimes the hiding children run to home base before they are found.

The child who is “it” tries to tag them.

Sometimes children who are found help the child who is “it” find others.

Sometimes the game is played in the dark.

What kind of rules will you have the next time you play hide and seek?

Name _____ Date _____

Dinner with the Animals

We would ask all our animal friends to dinner.

We would ask them to eat food with us at our table in the woods.

We would put all the foods they like to eat on the table.

The bears would ask for honey, but they would not say please.

The bees would buzz around all our animal friends to get the honey.

The ducks would clean their feathers at the table.

The birds would chirp and chirp at the dinner table.

The jackrabbits would hop around the dinner table.

It would feel just like a family dinner at home.
